## Financial Aid Services

### College Policy on Financial Aid

At City College of San Francisco, we are committed to providing financial aid services to our students. Our goal is to ensure that all students have the opportunity to succeed in their education. We offer a variety of financial aid options, including grants, scholarships, and loans. We also provide counseling and support to help students understand their options and make informed decisions. For more information, please contact our Financial Aid Office at (415) 636-6411.

For more information, please contact our Financial Aid Office at (415) 636-6411. We are located at 4950 Geary Blvd., San Francisco, CA 94118. Our website is [www.ccsf.edu/financialaid](http://www.ccsf.edu/financialaid).

**CCPG Special**

CCPG Special (2017) is a program that provides financial aid to students who are currently receiving financial aid from another institution. The program was established in 2001 and is designed to help students who are currently receiving financial aid from another institution to continue their education at City College of San Francisco. The program is available to students who are currently receiving financial aid from another institution and who are currently enrolled in a degree program at City College of San Francisco. The program is available to students who are currently receiving financial aid from another institution and who are currently enrolled in a degree program at City College of San Francisco.

**Financial Aid Institutional Programs**

Financial Aid Institutional Programs are designed to help students who are currently receiving financial aid from another institution to continue their education at City College of San Francisco. The program is available to students who are currently receiving financial aid from another institution and who are currently enrolled in a degree program at City College of San Francisco. The program is available to students who are currently receiving financial aid from another institution and who are currently enrolled in a degree program at City College of San Francisco. The program is available to students who are currently receiving financial aid from another institution and who are currently enrolled in a degree program at City College of San Francisco.

## Guardian Scholars

Guardian Scholars is a program that provides financial support to students who are the primary caregiver for a dependent child. The program is designed to help these students cover the costs of tuition, books, and other educational expenses. Eligible students must be at least 18-25 years old and have a dependent child living with them. The program offers a variety of scholarship options, including tuition waivers and grants. For more information, visit the Guardian Scholars website.

## Homeless At-Risk Transitional Students Program (HARTS)

The Homeless At-Risk Transitional Students Program (HARTS) is a program that provides financial support to students who are homeless or at risk of homelessness. The program is designed to help these students cover the costs of tuition, books, and other educational expenses. Eligible students must be at least 18 years old and have a history of homelessness or be at risk of homelessness. The program offers a variety of scholarship options, including tuition waivers and grants. For more information, visit the HARTS website.

## Scholarship Office

The Scholarship Office is responsible for administering the various scholarship programs offered by the college. The office provides information and assistance to students who are interested in applying for a scholarship. The office also reviews applications and awards scholarships to eligible students. For more information, visit the Scholarship Office website.
